Rediscover yourself

AGAPAE Day Retreat owner Roberta Battaglia is passionate about creating a welcoming space for locals.

The retreat is in the pavilion, upstairs at Evergreen Lifestyle Centre at Bundall.

"We are committed to offering people a dedicated service with talented tradeswomen, matched with quality, reputable products to enhance what you have, all in a comforting, relaxing atmosphere," says Roberta.

"To counter-balance the daily stress of 21st-century living we have created a special treatment menu, so all hair, beauty and massage maintenance needs can be accommodated in the one place."

The Versa Spa spray tan is exclusive to Agapae and the salon also stocks Alpha H skincare, Youngblood mineral make-up and Kevin Murphy chemical-free hair products.

"It's a great feeling seeing clients happy when they leave us, appreciative of our loyalty programs and specials, and then recommending us. That's always been our goal," says Roberta.
